Any request for changes in course selection must be submitted in writing to your counselor by **April 29, 2022**. Students will take one course from each core area listed below and 7 additional elective (see back). I understand that the administration will attempt to assign me electives of my choosing, but that they are not guaranteed. The administration has the right to make changes in student schedules and holds the final decision in the courses assigned. All FSA level 1 & 2 students will take a required intensive reading/math class in place of an elective.
