If Injury to the Insured results, within 180 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Accidental Dismemberment Maximum Amount shown on the Schedule of Benefits specified for that Loss:

For Loss Of	Percentage of Maximum Amount

If the body of an Insured has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under the Policy, then it will be deemed, subject to all other terms and provisions of the Policy, that the Insured has suffered accidental death within the meaning of the Policy.

### Accident Medical Expense Benefit

received due to that Injury, up to the \$25,000 Accident Medical Expense Maximum Amount per Insured for all Injuries caused by the same accident, subject to the sub-limits shown in the below schedule. Benefits are then payable for charges incurred within 104 weeks after the date of the accident causing the Injury.

In such case, the benefits otherwise payable under the Excess Provision in the Policy will be reduced by 50%. This reduction shall not apply to emergency treatment required within 24 hours of an accident when the accident occurs outside the geographic area served by a health maintenance organization, preferred provider organization or similar health service program.

### Accidental Needlestick and Splatter Exposure Benefit

If, as a direct result of an Incident, an Insured suffers a Needlestick and/or Splatter Exposure the Company will pay the benefits listed below, subject to the following conditions: 1) an Incident report which documents the details of the Incident and nature of the Needlestick and/or Splatter Exposure incurred by the Insured. ### Screening Test Benefit

The Company will pay the Usual and Customary Charges incurred by the Insured for any Screening Tests performed due to a covered Incident, up to the Screening Test Maximum Amount shown in the Schedule of Benefits. If a Usual and Customary Charge payable under the Screening Test Benefit is also payable under one or more other benefits under the Policy, such charge will be paid under only one benefit, the one with the largest benefit amount.

### Indemnity Benefit

If an Insured is diagnosed by a Physician as having contracted a medical condition within 26 weeks of the date of the Incident which caused the Insured's Needlestick and/or Splatter Exposure, and such condition is determined by a Physician to have resulted from the Insured's Needlestick and/or Splatter Exposure, the Company will pay the Indemnity Benefit Maximum Amount shown in the Schedule of Benefits.

If more than one Needlestick and/or Splatter Exposure results from one Incident, the Indemnity Benefit will be paid for only one Needlestick and/or Splatter Exposure per Incident.
