

Some links to guide you through some special programs/opportunities at many of our SUS institutions. EVERY institution has an array of wonderful programs and opportunities, and you are encouraged to visit the admissions page of each school you are interested in to learn more.

- Golden Promise @ FIU – guarantees 100% tuition & fees to Florida residents with a 0 EFC:
<https://onestop.fiu.edu/finances/types-of-aid/golden-promise/>
- FAU offers a variety of pathways to admission: <https://www.fau.edu/admissions/pathways/>
- Overall freshman admissions at UF: <https://admissions.ufl.edu/apply/freshman/>
- The Innovation Academy at UF, **which you must apply for** (spring/summer schedule):
<https://innovationacademy.ufl.edu/>
- Gator Engineering at Santa Fe (you don't apply for it — it has to be offered to you):
<https://www.eng.ufl.edu/students/gesf/>
- Gator Engineering at the State College of Florida (same as above):
<https://www.eng.ufl.edu/students/gescf/>
- UF's PaCE program (online for first 60 credits or AT LEAST two semesters/15 credits):
<https://admissions.ufl.edu/learn/pace/>
- FSU's CARE (Center for Academic Retention & Enhancement) provides preparation, orientation and academic support programming for students who are among the first in their family to attend college and may face unique challenges in college because of education or economic circumstances: <https://care.fsu.edu/>
- FSU's Seminole Pathways (you cannot apply for them; they are offered to you if not admitted to Fall or Summer B): <https://admissions.fsu.edu/first-year/pathways/>
