

RAISEME

Through a program called [raise.me](https://www.raise.me), you can automatically earn scholarships from colleges for your high school accomplishments each time you achieve any of the following goals in school:

- Get an A in a course (\$100 - \$1,000)
- Get a B in a course (\$50 - \$600)
- Participate in a school club or sport (\$25 - \$250)
- And much more

Create and account at www.raise.me for more information.

Start racking up those good grades, community service, extracurricular activities, and other achievements to include in your raise.me "Portfolio" to earn "Micro-Scholarships" from colleges. As a student, you will be eligible to receive scholarship money for each achievement from the start of 9th grade until midway through 12th grade.

Students: Visit www.raise.me to create your account.

Increasing numbers of public and private colleges continue to join the raise.me program. Colleges are added monthly and you can request colleges at any time. Your student will automatically get related Micro-Scholarships from all new colleges as they become available.
