

## Felix Varela Senior High Dual Enrollment Program

For the school year 2024-2025 we will be partnering with Barry University, Florida International University, and Miami Dade College.

Students can benefit from taking FREE college courses while on the high school campus. This gives students the opportunity to learn about the college experience and be college-ready when they graduate high school. Each class can save you hundreds of dollars! Classes are broken into semesters therefore making it possible for students to get 6 FREE COLLEGE CREDITS or more.

### REQUIREMENTS

Miami-Dade College 2.5 GPA and a college level test (PSAT). If no test has been completed, MDC will schedule a PERT exam for students.
